

Convention on the Conservation of Migratory Species of Wild Animals

RESOLUTION 4.2

APPENDIX I SPECIES

Adopted by the Conference of the Parties at its Fourth Meeting (Nairobi, 7-11 June 1994)

The Conference of the Parties to the Convention on the Conservation of Migratory Species of Wild Animals,

Recalling Resolution 3.2 (Geneva, 1991) regarding Appendix I species,

Recognizing that Resolution 3.2 decided inter alia that at each meeting of the Conference of the Parties a formal review process be established for a selected number of species listed in Appendix I,

Recalling further that Resolution 3.2 instructs the Secretariat and the Scientific Council to encourage and assist Parties to take concerted actions to implement the provisions of the Convention,

Noting the recommendation of the fourth meeting of the Scientific Council (Bonn, 1993) that *Monachus monachus*, *Gazella dama*, *Chloephaga rubriciceps*, and *Grus leucogeranus* be the subject of concerted actions for the 1995-1997 triennium,

Noting further the recommendation of the fourth meeting of the Scientific Council that subject to their inclusion in Appendix I, *Otis tarda*, *Oryx dammah*, *Chlamydotis undulata* (entire population) and *Oxyura leucocephala* also be the subject of concerted actions,

Recommends that the concerted actions and preparation of review reports envisaged within the framework of Resolution 3.2 be carried out for the above-mentioned species during the 1995-1997 triennium, and that the Conference of the Parties review the results at its next meeting.
