Amendments proposed in session

DRAFT RESOLUTION ON

STRATEGIC PLAN FOR MIGRATORY SPECIES 2015-2023

Amendments as proposed by the EU and its Member States

Recalling CMS Resolution 10.5 which welcomed the updated version of the Strategic Plan for the Convention on the Conservation of Migratory Species of Wild Animals (2006-2011) to cover the next three-year period (2012-2014) without making substantive changes;

Taking into account that CMS Resolution 10.5 also established a Working Group to draft a new Strategic Plan for the period 2015-2023 to be submitted to the 11th Meeting of the CMS Conference of the Parties in 2014;

Recalling Decision X/20 of the Conference of the Parties to the Convention on Biological Diversity in which CMS is recognized as the lead partner in the conservation and sustainable use of migratory species over their entire range;

Further recalling Decision X/2 of the Conference of the Parties to the Convention on Biological Diversity by which the Strategic Plan for Biodiversity 2011-2020 and the Aichi Biodiversity Targets were adopted, and which invited the UN Environment Management Group (EMG) to identify measures for effective and efficient implementation of the Strategic Plan across the United Nations system;

Noting the EMG senior officials’ agreement in November 2012 to support the implementation of the strategic planning processes of the biodiversity-related multilateral environmental agreements, such as for migratory species;

Noting that Decision X/2 of the Conference of the Parties to the Convention on Biological Diversity urged Parties and other governments to support the updating of National Biodiversity Strategies and Action Plans (NBSAPs) as effective instruments to promote the implementation of the Strategic Plan for Biodiversity and mainstreaming of biodiversity at the national level, taking into account synergies among the biodiversity-related conventions in a manner consistent with their respective mandates;

Noting that UNGA Resolution 65/161 paragraph 19 decided to declare 2011–2020 the United Nations Decade on Biodiversity, with a view to contributing to the implementation of the Strategic Plan for Biodiversity 2011–2020 and requested the Secretary-General, in consultation with Member States, to lead the coordination of the activities of the Decade on behalf of the United Nations system, with the support of the secretariat of the Convention on Biological Diversity, the secretariats of other biodiversity-related conventions and relevant United Nations funds, programmes and agencies;
Noting the report of the Chair of the CMS Strategic Plan Working Group (document UNEP/CMS/COP11/Doc.15.2);

Grateful for the work undertaken by that Working Group in preparing the new Plan, including taking account of lessons learned from experience in implementing the Strategic Plan 2006-2014, considering the outcomes of the Future Shape process and the strategic planning processes in other multilateral environmental agreements; and providing substantial opportunities for making contributions to the drafting of the Plan;

Welcoming contributions to the Strategic Plan’s development by Parties and stakeholders, including the report A Natural Affiliation: Developing the Role of NGOs in the Convention on Migratory Species Family; and acknowledging that key partnerships to support delivery of the Strategic Plan will include those with other Conventions, civil society, the private sector, and regional bodies; and

Mindful of the need to avoid creating additional reporting burdens that risk diverting action from implementation;

The Conference of the Parties to the
Convention on the Conservation of Migratory Species of Wild Animals

Strategic Plan for Migratory Species 2015-2023

1. Adopts the Strategic Plan for Migratory Species 2015-2023 as appended in Annex 1 to this Resolution;

2. Requests the Secretariat to integrate the goals and targets of the Strategic Plan into work programmes under the Convention, and to take action to raise awareness of the Plan;

3. Urges Parties and invites other States, the CMS Family of instruments, relevant multilateral bodies, intergovernmental organizations, and civil society organizations working towards the conservation of migratory species to integrate the goals and targets of the Strategic Plan within relevant policy and planning instruments, and also to take action to raise awareness of the Plan;

4. Invites the decision-making bodies of CMS instruments to consider the Strategic Plan for adoption at their next meetings;

Sub-targets to support the Strategic Plan targets

5. Encourages the decision-making bodies of CMS instruments, as well as other partners and stakeholders working for the conservation of migratory species, as appropriate, to identify existing or develop new sub-targets for the species and issues relevant to those instruments and organizations that support the achievement of the targets in the Strategic Plan for Migratory Species; and to inform the CMS Secretariat of such sub-targets;

---

6. Requests the Secretariat to maintain a register of sub-targets as a “living” document able to be supplemented and updated by contributions from the CMS Family of instruments and from other partners and stakeholders wishing to contribute, and to provide updates on additions to the register to future meetings of the Conference of the Parties for the duration of the Strategic Plan;

Indicators and Companion Volume

7. Notes the indicative headline indicators and Companion Volume outline presented in document UNEP/CMS/Conf.11/Doc.15.2;

8. Confirms the need for additional inter-sessional work to strengthen the suite of materials to support implementation of the Strategic Plan, including:

a) indicators for the Strategic Plan for Migratory Species, drawing as far as possible from existing work, such as that under the global Biodiversity Indicators Partnership;

b) a Companion Volume on Implementation for the new Strategic Plan, based on available tools, to provide guidance on implementation of the Plan;

Extension of the Strategic Plan Working Group mandate

9. Decides to extend the mandate of the Strategic Plan Working Group to include the tasks of elaborating the indicators and Companion Volume during the triennium 2015-2017, and requests the Working Group to submit progress reports to the Standing Committee for approval of their progressive implementation. The new Terms of Reference for the Strategic Plan Working Group are appended as Annex 2 to this Resolution;

10. Requests the Secretariat to undertake the necessary background compilation of material to feed into the efforts of the Working Group, including:

a) The work being undertaken by relevant specialist international fora on indicators, such as the global Biodiversity Indicators Partnership;

b) Analysis of programmes of work and action plans adopted under the Convention and CMS Family instruments, along with their own indicators, for synergies;

Implementation

11. Further requests the Secretariat to consider amendments to the format for National Reports, where necessary, in respect of assessing implementation of the Strategic Plan and those indicators for which such reports are identified as a potentially important source of information, and the scope for streamlining existing reporting processes to reduce reporting burdens, and to submit any proposed amendments to the Standing Committee for its consideration and transmission to the 12th Meeting of the Conference of the Parties;

12. Decides to keep the implementation of the Strategic Plan under review at its 12th, 13th and 14th meetings in the light of the Plan’s stated goals, targets and indicators and in line with chapter 4 section 6 of the Strategic Plan;
13. **Recognizes** that a wide range of civil society organizations and other stakeholders make an invaluable contribution to implementing the Convention and to conserving migratory species, and encourages these organizations to report on this work to meetings of the Conference of the Parties; and

14. **Invites** UNEP, Parties, multilateral donors and others to provide financial assistance for the implementation of this Resolution.

**Objectives**

1. The main objectives of the Working Group will be to:
   
a) Develop new or identify existing detailed indicators for the Strategic Plan; and
