

## 6<sup>th</sup> Meeting of the CMS Multi-Stakeholder Energy Task Force

9-10 February 2022, online

ETF6/Doc.1a/Rev.2

### PROVISIONAL ANNOTATED MEETING AGENDA AND SCHEDULE (as of 7<sup>th</sup> February 2022)

The Government of India, through the Ministry of Environment, Forest and Climate Change were recognized as Champion Plus for their generous support and commitment towards Making energy safe for wildlife for the period 2020-2023. The operations of the Energy Task Force have been funded with the contribution granted by India under the Migratory Species Champion Programme.

## INTRODUCTION AND OBJECTIVES

1. The Convention on Migratory Species (CMS) Energy Task Force (ETF) was established in 2016 to work towards reconciling renewable energy developments with the conservation of migratory species.
2. The ETF facilitates the use of best-practice guidance and promotes concrete action on the ground by bringing together governments, MEAs, NGOs, energy producers, financial and investment institutions, and researchers.
3. Following on the approval of the [ETF workplan 2021-2024](#), the 6th meeting of the ETF represents a unique opportunity to jointly revise its gaps, agree on the shared priorities and discuss the next steps towards our goal: a just transition to renewables that does not harm migratory species.
4. The meeting specific objectives are:
  - a) Share updates on the current implementation of the ETF Workplan
  - b) Understand how related renewable-energy coalitions interact with the work of the ETF & agree on thematic and sub-regional priorities
  - c) Promote and share new technical and operational guidance on the planning and deployment of renewable energy
  - d) Strengthen industry and cross sectoral cooperation within and outside ETF members and observers.
