42	INDONESIA	Akame Dolphin Bay Restaurant  Benoa	2012		?? Bottlenose	Restaurant + dolphin show	show only	News article from Jakarta Post 14 Feb 2013 "The floating restaurant, which is shaped like a ship and has a 130 square-meter pool in the middle, attracted hundreds of tourists who came to watch the dolphin show every day at the facility that was opened four months ago.  The 1.7 meter-long dolphins were estimated to be seven to nine years old. They were caught in the northern part of Java sea. The Akame Dolphin bay restaurant had pocketed a permit that was issued by Wesut Seguni Indonesia, a Central Java based conservation organization.
