# Main results of the Global Forum

1. **Bishkek declaration on snow leopard conservation;**
2. **Global Snow Leopard and Ecosystem Protection Program (GSLEP);**
3. **Formed a powerful coalition of support from international partners;**
4. **Adopted an action plan for the next 12 months.**

# Working secretariat on Global Snow Leopard Protection Program

- Annual Program consultations with all snow leopard range countries, donors, and implementing partners to review progress achieved, consider the findings of Program monitoring and evaluation, and disseminate the results.
- Periodic systematic consultations with the range countries and the donor community to map the flow and utilization of funds, review the funding situation, and coordinate energies at filling the key gaps and flow of external resources based on need and performance.

# BISHKEK DECLARATION ON SNOW LEOPARD CONSERVATION

Celebrating October 23 each year as the Snow Leopard Day

Presentation of an annual Snow Leopard Conservation Award

2015 as the Year of the Snow Leopard

# Global Snow Leopards and Ecosystems Protection Program (GSLEP)

- Engage local communities and create culturally and socially responsible incentives
- Combat poaching and illegal trade and reduce demand through enforcement and collaboration
- Conservation in large landscapes with sustainable breeding populations, restoring habitats and addressing key threats
- Enhance trans-boundary and regional cooperation
- Identify minimum 20 Snow Leopard Landscapes in which to achieve the GSLEP's "Secure 20 by 2020" goal

# GSLEP Implementation

## GLOBAL WORKSHOP GSLEP NATIONAL FOCAL POINTS MEETING

- Enhance capacity of the National Focal Points and Working Secretariat staff, develop effective leadership teams to support national institutional arrangements for GSLEP implementation;
- Identify minimum 20 Snow Leopard Landscapes in which to achieve the GSLEP's "Secure 20 by 2020" goal.
- Define first two-year Implementation Plan, National Priority Activities (NPAs) and Global Priority Activities (GPAs)

# Thank you !!!
