11th MEETING OF THE CONFERENCE OF THE PARTIES Quito, Ecuador, 4-9 November 2014 Agenda Item 14.2

DRAFT COSTED PROGRAMME OF WORK 2015-2017

Summary:

It is for the first time ever that a costed Programme of Work (POW) for CMS is submitted to the Conference of the Parties. The format used has been cleared by the Standing Committee at its 40th Meeting (Bonn, November 2012).

The POW should be considered in conjunction with: UNEP/CMS/COP11/Doc.14.3 on the proposed Budget for the triennium 2015-2017

DRAFT COSTED PROGRAMME OF WORK 2015-2017

(Prepared by the UNEP/CMS Secretariat)

Introduction

- 1. The present document has been prepared in response to call by Parties for greater clarity on the work of the Secretariat and related resource requirements.
- 2. In the period since the Tenth Meeting of the Conference of Parties to CMS (COP10), the Secretariat has given consideration to the format of the costed Programme of Work (POW) and the format is based on the one that is used by CITES.
- 3. The current format has been cleared by the Standing Committee at its 40th Meeting (Bonn, November 2012).
- 4. A detailed list of activities of the Secretariat for 2015-2017 has been developed, based on existing mandates as well as those merging from COP10 and the work required to service the various instruments.
- 5. The detailed list of activities is being grouped into programme areas and the resources (both from the core budget and those to be raised through voluntary contributions) contributing to each Programme area identified. The programme areas identified are as follows:
 - Executive Direction and Management;
 - Implementation Support;
 - Resource Mobilization and Interagency Affairs;
 - Information Management, Communication and Outreach;
 - Capacity Building;
 - Servicing of Governing Bodies and other CMS meetings; and
 - Operating Costs.
- 6. For each activity priority ranking has been given. Core activities are activities which the Secretariat will implement during the triennium 2015-2017. Thereafter, and as far as resources permitting, priority will be given to those activities ranked as high followed by those indicated as medium. Little attention will be given to those listed as low.
- 7. Finally for each activity the funding source has been indicated being funds provided through the Budget 2015-2017 as proposed in UNEP/CMS/COP11/Doc.14.3 being Core and/ or through Voluntary Contribution still to be raised. Where no funding source has been indicated means that the activity can be carried out by Human Resources available.

Action requested:

The Conference of the Parties is requested to review and adopt the costed Programme of Work for 2015-2017.
