

PROJECTS REPORTING TEMPLATE FOR SAIGA-RELATED ACTIVITIES

This reporting template is designed to collate information on projects carried out by governmental and non-governmental organisations working on any aspect of Saiga conservation and sustainable use. Information will be compiled into a regularly updated table for discussion at future Saiga MoU meetings. The information will be used to: (1) monitor implementation of the Memorandum of Understanding and Action Plan concerning Conservation, Restoration and Sustainable Use of the Saiga Antelope (*Saiga tatarica tatarica*); (2) support exchange of information throughout the range and assist the identification of necessary future actions; and (3) support the implementation of CITES Decisions 13.27-13.35.

Please complete sections as appropriate and **return to the CMS Secretariat**.
