**Reporting on progress made to implement the African-Eurasian Migratory Landbirds Action
Plan (AEMLAP)**

Report from BirdLife International Africa

The reporting template intends to facilitate reporting on the progress made in the implementation of the African-Eurasian Migratory Landbirds Action Plan (AEMLAP). The summary reports are meant for the 2nd meeting of the Working Group to be held in Abidjan, Cote d'Ivoire, in November 2015. Working Group members are kindly requested to follow the guide below to do the summary report.

Report template for the Second Meeting of the African-Eurasian Migratory Landbirds Working
Group

Reported by Francois Phopho Kamano

(Wildlife Clubs of Africa and Spring Alive Project Officer)

francois.kamano@birdlife.org,

Birdlife International Africa.

Project 1: Wildlife Clubs of Africa Phase 2

Implementing countries: Botswana, Ghana, Nigeria, Sierra Leone, Zimbabwe

- **Period:**(2012-2014), with a no cost extension to 1st December 2015
- **Goal:** Goal: Contribute to MDG 7 (Ensure environmental sustainability) and MDG 2 (Achieve universal primary education) by integrating conservation and sustainable use into education programmes (formal and non-formal) through the provision of education opportunities that particularly target communities that are poor and highly dependent on natural resources.
- **Project components :**
 - (i) Combines biodiversity conservation with education and sustainable development initiatives.

- (ii) Focuses on implementing a range of environmental education activities and approaches i.e. mainstreaming Environmental education primary education in one country (Ghana)
- (iii) Commemorating international environmental days to increase awareness about biodiversity conservation
- (iv) Implementing the Spring Alive Campaign to protect the migrant birds

Achievement relevant to AEMLAP:

- ‘Spring Alive’ programme being implemented in 14 African countries
- 63,000 children benefited from the conservation education activities organized by Birdlife Partners implementing NGOs
- 27388 Education and promotional materials produced
- A 1200m2 urban nature park established in Nigeria
- Celebration of all the major world environmental days (World Migratory Day, World Wetland Day, World Environment Day)
- Environmental Education Toolkit disseminated
- 300 Teachers Guides to Teaching Environmental Education in Basic Schools in Ghana
- 10 Teacher training workshops were organized for wildlife club leaders /teachers at 1st and 2nd cycle schools in Greater Accra/Eastern, Volta,
- 15 Forest users trained
- 207 Nature conservation volunteers trained
- 357 Wildlife Coordinators trained

Stakeholders: Birdlife International partners implementing countries, Birdlife in Poland, Site Support groups, Wildlife Club members, Education Department at National Level in implementing countries, Birdlife Secretariat

Donor: AAGE V. JENSEN CHARITY FOUNDATION
