This Concerted Action is recommended for continuation.

**GENERAL COMMENTS ON THE DOCUMENT**

- In relation to all the Concerted Action reports received, it was recommended that in future, a clear template (to be provided by the Secretariat well ahead of the document deadline) be used for all reports, showing clearly how the proposed activities were implemented, what successes were achieved and which actions, if any, are proposed for the next triennium.
- The proponents are commended for the work done.
- The proponents are encouraged to elaborate the activities foreseen for the next triennium, through an Addendum, in advance of COP13 for its information.
