

SCIENTIFIC COUNCIL COMMENTS
(arising from ScC-SC2)

MARINE DEBRIS
UNEP/CMS/COP12/DOC.24.4.1

GENERAL COMMENTS ON THE DOCUMENT

- The Sessional Committee considers the topic well covered in the draft resolution. No specific comments were made.
- ACCOBAMS invited CMS, along with ASCOBANS and the European Cetacean Society (ECS), to organize a joint workshop on the effects of marine litter on cetaceans at the ECS Conference in 2018.

RECOMMENDATIONS TO COP12

- Recommended for adoption.
