COMMENTS ON SPECIFIC SECTIONS/ INCLUDING POSSIBLE PROPOSALS FOR TEXT REVISION

Amend the proposed Decisions as follows:

Page 7

Directed to the Scientific Council

14.BB b)

Provide recommendations to support Parties in addressing the impact of pastoralism on CMS-listed species and realising the potential benefits to ecosystem health and resilience associated with the holistic management of rangeland and migratory species including soil restoration and climate change adaptation and mitigation.

Directed to the Secretariat

14.CC f)

Report to the Conference of the Parties at its 15th meeting on the recommendations of the Scientific Council and progress in implementing this decision.
