

## RESOLUTION 3.2

### APPENDIX I SPECIES

Adopted by the Conference of the Parties at its Third Meeting (Geneva, 9-13 September 1991)

---

---

*The Conference of the Parties to the Convention on the Conservation of Migratory Species of Wild Animals,*

*Recalling* that, pursuant to Article VII of the Convention, the Conference of the Parties may review and assess the conservation status of migratory species and the progress made towards their conservation,

*Appreciating* the importance of having access to and sharing current information on the endangered species listed in Appendix I, for the purpose of recommending actions to benefit those species,

*Recognizing* the relevance of reports prepared by Parties, pursuant to Article VI of the Convention, on measures they are taking to implement its provisions,

1. Decides to establish a formal review process, at each meeting of the Conference of the Parties, for a selected number of species listed in Appendix I, with a view to recommending initiatives to benefit those species;

2. *Directs* the Secretariat to coordinate the preparation of review reports for species identified by the Conference, incorporating the information included in the annex to this Resolution; the Secretariat shall be assisted in this task by the Scientific Council and other bodies, as may be necessary;

3. *Urges* Parties to cooperate fully in providing the information needed to compile the species review reports;

4. *Instructs* the Secretariat and the Scientific Council to encourage and assist Parties to take concerted actions to implement the provisions of the Convention, where possible through existing instruments of bilateral or multilateral cooperation; and

5. *Requests* the Secretariat to draw to the attention of Parties matters of importance to the conservation of species listed in the Convention appendices, including those arising from the preparation of the review reports, either at meetings of the Conference of the Parties or, if appropriate, intersessionally.
