SIXTH MEETING OF THE
CONFERENCE OF THE PARTIES

Cape Town, 10-16 November 1999

**RULES OF PROCEDURE FOR THE SIXTH MEETING
OF THE CONFERENCE OF THE PARTIES**

(prepared by the Secretariat)

1. Attached are the provisional Rules of Procedure for the Sixth Meeting of the Conference of the Parties. There have been no amendments to the Rules of Procedure adopted by the Fifth Meeting of the Conference of the Parties, held in Geneva, in April 1997.
2. Attention is drawn to Rule 14 (2) which, for ease of reference, is reproduced below:

"Representatives of Parties which are three or more years behind in paying their subscriptions on the date of the opening session of the meeting of the Conference of the Parties shall not be eligible to vote. However, the Conference of the Parties may allow such Parties to exercise their right to vote if it is satisfied that the delay in payment arises from exceptional and unavoidable circumstances, and shall receive advice in this regard from the Standing Committee."
3. The Budget and Fund Management Service of UNON has recently informed Parties of the current status of their contributions to the CMS Trust Fund. To date, the Secretariat has not received any communication from any Party three years in arrears as to mitigating circumstances that should be brought to the attention of the Standing Committee. The Standing Committee will be invited to deliberate on this matter in its meeting scheduled for 9 November 1999 in Cape Town.

For reasons of economy, this document is printed in a limited number, and will not be distributed at the meeting. Delegates are kindly requested to bring their copy to the meeting and not to request additional copies.

 - (a) open and close the session;
 - (b) direct the discussions;
 - (c) ensure the observance of these Rules;
 - (d) accord the right to speak;
 - (e) put questions to the vote and announce decisions;
 - (f) rule on points of order; and
 - (g) subject to these Rules, have complete control of the proceedings of the meeting and the maintenance of order.
- (2) The Presiding Officer may, in the course of discussion at a plenary session of the meeting, propose to the Conference:
 - (a) time limits for speakers;
limitation of the number of times the members of a delegation or the observers from a State not a Party, body or agency may speak on any question;
 - (c) the closure of the list of speakers;
 - (d) the adjournment or the closure of the debate on the particular subject or question under discussion;
and
 - (e) the suspensions or adjournment of the session.

Rule 9 – Seating, Quorum

- (1) Delegations shall be seated in accordance with the alphabetical order of the names of the Parties in the English language.
- (2) A quorum for plenary sessions and sessions of the Committee of the Whole of the meeting shall consist of one-half of the Parties having delegations at the meeting. No plenary session or session of the Committee of the Whole shall take place in the absence of a quorum.

Rule 10 – Right to Speak

- (1) The Presiding Officer shall call upon speakers in the order in which they signify their desire to speak, with precedence given to the delegates.
- (2) A delegate or observer may speak only if called upon by the Presiding Officer, who may call a speaker to order if the remarks are not relevant to the subject under discussion.
- (3) A speaker shall not be interrupted except on a point of order. The speaker may, however, with the permission of the Presiding Officer, give way during their speech to allow any delegate or observer to request elucidation on a particular point in that speech.
- (4) The Chairperson of a committee or working group may be accorded precedence for the purpose of explaining the conclusions arrived at by that committee or working group.

Rule 11 – Submission of Proposals for Amendment of the Convention and its Appendices

(1) As a general rule proposals shall, subject to any provisions of the Convention itself, have been communicated at least 150 days before the meeting to the Secretariat, which shall have circulated them to all Parties in the working languages of the meeting. Proposals arising out of discussion of the foregoing may be discussed at any plenary session of the meeting provided copies of them have been circulated to all delegations not later than the day preceding the session. The Presiding Officer may also permit the discussion and consideration of urgent proposals arising after the period prescribed above in the first sentence of this Rule provided that they relate to proposed amendments which have been circulated in accordance with the second sentence of this Rule and that their consideration will not unduly inhibit the proceedings of the Conference. The Presiding Officer may, in addition, permit the discussion of motions as to procedures, even though such motions have not been circulated previously.

(2) After a proposal has been adopted or rejected by the Conference it shall not be reconsidered unless a two-thirds majority of the Representatives participating in the meeting so decide. Permission to speak on a motion to reconsider a proposal shall be accorded only to a delegate from each of two Parties wishing to speak against the motion, after which the motion shall immediately be put to the vote.

Rule 12 – Procedural Motions

(1) During the discussion of any matter, a delegate may rise to a point of order, and the point of order shall be immediately decided by the Presiding Officer in accordance with these Rules. A delegate may appeal against any ruling of the Presiding Officer. The appeal shall immediately be put to the vote, and the Presiding Officer's ruling shall stand unless a majority of the Representatives present and voting otherwise decide. A delegate rising to a point of order may not speak on the substance of the matter under discussion.

(2) The following motions shall have precedence in the following order over all other proposals or motions before the Conference:

- (a) to suspend the session;
- (b) to adjourn the session;
- (c) to adjourn the debate on the particular subject or question under discussion;
- (d) to close the debate on the particular subject or question under discussion.

Rule 13 – Arrangements for Debate

(1) The Conference may, on a proposal by the Presiding Officer or by a delegate, limit the time to be allowed to each speaker and the number of times delegates or observers may speak on any question. When the debate is subject to such limits, and a speaker has spoken for the allotted time, the Presiding Officer shall call the speaker to order without delay.

(2) During the course of a debate the Presiding Officer may announce the list of speakers and, with the consent of the meeting, declare the list closed. The Presiding Officer may, however, accord the right of reply to any delegate if a speech delivered after the list has been declared closed makes this desirable.

(3) During the discussion of any matter, a delegate may move the adjournment of the debate on the particular subject or question under discussion. In addition to the proposer of the motion, a delegate may speak in favour of, and a delegate of each of two Parties may speak against the motion, after which the motion shall immediately be put to the vote. The Presiding Officer may limit the time to be allowed to speakers under this Rule.

(4) A delegate may at any time move the closure of the debate on the particular subject or question under discussion, whether or not any other delegate has signified the wish to speak. Permission to speak on the motion for closure of the debate shall be accorded only to a delegate from each of two Parties wishing to speak against the motion, after which the motion shall immediately be put to the vote. The Presiding Officer may limit the time to be allowed to speakers under this Rule.

(5) During the discussion of any matter a delegate may move the suspension or the adjournment of the session. Such motions shall not be debated but shall immediately be put to the vote. The Presiding Officer may limit the time allowed to the speaker moving the suspension or adjournment of the session.

(6) Whenever the Conference considers a recommendation originating from the Committee of the Whole, where the discussion of the recommendation has been conducted with interpretation in the three working languages of the session, there shall be no further discussion on the recommendation, and it shall immediately be decided upon, subject to the second paragraph.

However, any delegate, if seconded by another delegate of another Party, may present a motion for the opening of debate on any recommendation. Permission to speak on the motion for opening the debate shall be granted only to the delegate presenting the motion and the seconder, and to a delegate of each of two Parties wishing to speak against, after which the motion shall immediately be put to the vote. A motion to open the debate shall be granted if, on a show of hands, one third of the voting Representatives support the motion. While speaking on a motion to open the debate a delegate may not speak on the substance of the recommendation itself.

Part IV

Voting

Rule 14 - Methods of Voting

(1) Without prejudice to the provisions of Rule 1, paragraph 2, each representative duly accredited according to Rule 3 shall have one vote. Regional economic integration organizations, in matters within their competence, shall exercise their right to vote with the number of votes equal to the number of their member States which are Parties. In such case, the member States of such organizations shall not exercise their right individually.⁵

(2) Representatives of Parties which are three or more years behind in paying their subscriptions on the date of the opening session of the meeting of the Conference of the Parties shall not be eligible to vote. However, the Conference of the Parties may allow such Parties to exercise their right to vote if it is satisfied that the delay in payment arises from exceptional and unavoidable circumstances, and shall receive advice in this regard from the Standing Committee.

(3) The Conference shall normally vote by show of hands, but any Representative may request a roll-call vote. The roll-call vote shall be taken in the seating order of the delegations. The Presiding Officer may require a roll-call vote on the advice of the tellers where they are in doubt as to the actual number of votes cast and this is likely to be critical to the outcome.

(4) All votes in respect of the election of officers or of prospective host countries shall be by secret ballot and, although it shall not normally be used, any Representative may request a secret ballot for other matters. If seconded, the question of whether a secret ballot should be held shall immediately be voted upon. The motion for a secret ballot may not be conducted by secret ballot.

(5) Voting by roll-call or by secret ballot shall be expressed by "Yes", "No" or "Abstain". Only affirmative and negative votes shall be counted in calculating the number of votes cast.

(6) If votes are equal, the motion or amendment shall not be carried.

(7) The Presiding Officer shall be responsible for the counting of the votes and shall announce the result. The Presiding Officer may be assisted by tellers appointed by the Secretariat.

(8) After the Presiding Officer has announced the beginning of the vote, it shall not be interrupted

⁵ See Convention, Article 1, paragraph 2.

except by a Representative on a point of order in connection with the actual conduct of the voting. The Presiding Officer may permit Representatives to explain their votes either before or after the voting, and may limit the time to be allowed for such explanations.

Rule 15 - Majority

Except where otherwise provided for under the provisions of the Convention, these Rules or the Terms of Reference for the Administration of the Trust Fund, all votes on procedural matters relating to the forwarding of the business of the meeting shall be decided by a simple majority of votes cast, while all other decisions shall be taken by a two-thirds majority of votes cast.

Rule 16 - Procedure for Voting on Motions and Amendments

(1) A delegate may move that parts of a proposal or of an amendment be voted on separately. If objection is made to the request for such division, the motion for division shall be voted upon first. Permission to speak on the motion for division shall be accorded only to a delegate from each of two Parties wishing to speak in favour of and a delegate from each of two Parties wishing to speak against the motion. If the motion for division is carried, those parts of the proposal or amendment which are subsequently approved shall be put to the vote as a whole. If all operative parts of the proposal or the amendment have been rejected, the proposal or the amendment shall be considered to have been rejected as a whole.

(2) When an amendment is moved to a proposal, the amendment shall be voted on first. When two or more amendments are moved to a proposal, the Conference shall vote first on the amendment furthest removed in substance from the original proposal and then on the amendment next furthest removed therefrom, and so on until all amendments have been put to the vote. When, however, the adoption of one amendment necessarily implies the rejection of another amendment, the latter amendment shall not be put to the vote. If one or more amendments are adopted, the amended proposal shall then be voted upon. A motion is considered an amendment to a proposal if it merely adds to, deletes or revises part of that proposal.

(3) If two or more proposals relate to the same question, the Conference shall, unless it decides otherwise, vote on the proposals in the order in which they have been submitted. The Conference may, after voting on a proposal, decide whether to vote on the next proposal.

Rule 17 - Elections

(1) If in an election to fill one place no candidate obtains the required majority in the first ballot, a second ballot shall be taken restricted to the two candidates obtaining the largest number of votes. If in the second ballot the votes are equally divided, the Presiding Officer shall decide between the candidates by drawing lots.

(2) If in the first ballot there is a tie amongst candidates obtaining the second largest number of votes, a special ballot shall be held amongst them to reduce the number of candidates to two.

(3) In the case of tie amongst three or more candidates obtaining the largest number of votes in the first ballot, a special ballot shall be held amongst them to reduce the number of candidates to two. If a tie then results amongst two or more candidates, the Presiding Officer shall reduce the number to two by drawing lots, and a further ballot shall be held in accordance with paragraph 1 of this Rule.

Part V

Languages and Records

Rule 18 - Official and Working Languages

(1) English, French and Spanish shall be the official and working languages of the meeting.

(2) Speeches made in any of the working languages shall be interpreted into the other working languages.

- (3) The official documents of the meeting shall be distributed in the working languages.

Rule 19 - Other Languages

- (1) A delegate may speak in a language other than a working language. They shall be responsible for providing interpretation into a working language, and interpretation by the Secretariat into the other working languages may be based upon that interpretation.
- (2) Any document submitted to the Secretariat in any language other than a working language shall be accompanied by a translation into one of the working languages.

Rule 20 - Summary Records

- (1) Summary records of the meeting shall be circulated to all Parties in the official languages of the meeting.
- (2) Committees and working groups shall decide upon the form in which their records shall be prepared.

Part VI

Publicity of Debates

Rule 21 - Plenary Sessions

All plenary sessions of the meeting shall be open to the public, except that in exceptional circumstances the Conference may decide, by a two-thirds majority of Representatives present and voting, that any single session be closed to the public.

Rule 22 - Sessions of Committees and Working Groups

As a general rule, sessions of committees and working groups other than the Committee of the Whole shall be limited to the delegates and to observers invited by the Chairpersons of the committees or working groups.

Part VII

Committees and Working Groups

Rule 23 - Establishment of Committees and Working Groups

- (1) In addition to the Credentials Committee, the Conference of the Parties shall establish a committee to forward the business of the meeting. This committee shall be called the Committee of the Whole. It shall be responsible for making recommendations to the Conference on any matter of a scientific or technical nature, including proposals to amend the Appendices of the Convention, as well as recommendations concerning financial, administrative and any other matter to be decided upon by the Conference.
- (2) The Conference and the Committee of the Whole may establish such working groups as may be necessary to enable them to carry out their functions. They shall define the terms of reference and composition of each working group, the size of which shall be limited according to the number of places available in assembly rooms.
- (3) The Credentials Committee and each working group shall elect their own officers.

Rule 24 - Procedure

Insofar as they are applicable, these Rules shall apply *mutatis mutandis* to the proceedings of committees and working groups; however, with the exception of the Committee of the Whole, interpretation may not be provided in sessions of the committees and working groups.

Part VIII

Amendment

Rule 25

These rules may be amended as required by decision of the Conference.
