

# National Reporting (6.2)

*Dave Pritchard*

## *National Reporting*

- **MOU para 15 - format for regular reporting on raptor conservation strategies**  
*[not yet done]*
- **MOU para 18 - MOU implementation (as a whole) to be included in Party reports to CMS**
- **MOU para 16 - implementation overview (for Action Plan) for each MOS**
- **TAG Work Plan 6.16 - “*Develop an interim National Reporting Form, linked to the CMS ORS*”**

## **New CMS National Report Format**

- **COP11 & COP12 - analyses of drawbacks with the existing format**
- **COP11 asked for NRF to be revised, if necessary, to relate to SPMS**
- **Streamlining to reduce the reporting burden**
- **Revised & re-structured format now approved by StC48 for reporting (in 2019) to COP13**
- **On-line submission platform**
- **Accompanying guidance / tool tips / FAQs**

## **Issues to consider for the Raptors NRF**

- **Cover key Action Plan priorities, *inc.* the strategies**
- **Enough info, without overburdening Signatories**
- **Previous & current questionnaires give a starting-point**
- **Have regard to Action Plan amendment proposals**
- **SakerGAP and Vultures MsAP = blocks of info**

## **Issues for the Raptors NRF (cont.)**

- **Link to SPMS targets?**
- **Online submission platform, & accompanying support**
- **InforMEA**
- **For CMS Parties, link to CMS reports (MOU para 18)**
- **Timeframe & deadlines**

**Comments &  
suggestions...**

***Thank you !!***
