

Third Meeting of the Flyways Working Group

*Online, 9 April 2024, 13.00-14.30hrs CEST
Via Zoom (link shared via email)*

UNEP/CMS/FWG3/Doc.1

MEETING OBJECTIVES AND AGENDA

Goal:

To revise the outcomes of CMS COP14 related to Resolution 12.11 (Rev.COP14) and its related Decisions, and to discuss next steps and priorities for the Flyways Working Group until CMS COP15

Objectives of the meeting:

1. Review changes adopted to Resolution 12.11 (Rev.COP14) and associated Decisions directed to the Flyways Working Group (and the Scientific Council more generally) to identify priority tasks
2. Identify mechanisms and approaches by which the Flyways Working Group can act as a platform to exchange experiences and best practices across flyway related initiatives
3. Agree on the best way forward to define and implement priority actions under the FWG
