NOTIFICATION TO THE PARTIES

ROADMAP FOR THE CONSERVATION OF THE AFRICAN WILD ASS 2017-2027

The CMS Secretariat is pleased to announce that the Roadmap for the Conservation of the African Wild Ass has been published as part of our Technical Series documents.

During the 1st International Range State Meeting of the African Wild Ass, taking place in Bonn, Germany, 6-7 March 2017, information was collected to draft the Roadmap for the Conservation of the African Wild Ass. This document was finalized after undergoing a consultation process.

The Twelfth Meeting of the Conference of the Parties (COP12) held from 23 to 28 October 2017 in Manila, the Philippines, accepted the African Wild Ass for listing under Appendix I of CMS, and took note of the Conservation Roadmap of the African Wild Ass, which was presented to the COP as an Information Document.

The final version of the document is now available [here](#).
