

Convention on the Conservation of Migratory Species of Wild Animals

Secretariat provided by the United Nations Environment Programme

Notification 2013/003

25 January 2013

NOTIFICATION TO THE PARTIES

LAUNCH OF THE SCIENTIFIC COUNCIL ONLINE WORKSPACE

The Secretariat of the Convention on the Conservation of Migratory Species of Wild Animals (CMS) is pleased to inform you that a new online platform - the CMS Scientific Council Online Workspace, aimed at progressing intersessional work of the CMS Scientific Council- is now available.

The Scientific Council Workspace provides an innovative and powerful tool which facilitates participation, promotes communication and supports goal-driven work of the Scientific Council.

The Public Area of the Scientific Council Workspace is available for all interested stakeholders at: <http://workspace.cms.int/scc/home>

Scientific Councillors will be individually provided with a username and password in order to access the restricted area of the Workspace and to participate in the different working groups and thematic areas. A Training Manual for users will also be made available.
