

# Convention on the Conservation of Migratory Species of Wild Animals

*Secretariat provided by the United Nations Environment Programme*

Notification 2016/008

---

15 April 2016

## NOTIFICATION TO THE PARTIES

### **CONSULTATION DRAFT RELEASED FIRST DRAFT INDICATOR FACTSHEETS FOR THE STRATEGIC PLAN FOR MIGRATORY SPECIES**

The Secretariat of the Convention on Migratory Species is pleased to announce the release of the first draft of the Indicator Factsheets for the Strategic Plan for Migratory Species 2015-2023.

The draft was prepared by the CMS Strategic Plan Working Group, based on the relevant discussions held at the 3<sup>rd</sup> Meeting of the Group (SPWG-3, October 2015) and subsequent expert discussions.

The proposed structure aims to capture an approach to develop a small set of indicators, for each of the 16 Targets of the Strategic Plan, that should tell a coherent story about progress in the implementation of the Strategic Plan while taking into account real constraints regarding human, technical and financial resources to minimize the burden on Parties and/or the Secretariat.

Views and contributions are requested **by 31 August 2016**, and should be emailed to [cms.secretariat@cms.int](mailto:cms.secretariat@cms.int), [inesverleye@gmail.com](mailto:inesverleye@gmail.com) and [MQwathekana@environment.gov.za](mailto:MQwathekana@environment.gov.za). The draft factsheets, and further information, are available [here](#).
