NOTIFICATION TO THE PARTIES

CONSULTATION ON THE DRAFT SINGLE SPECIES ACTION PLAN FOR THE ATLANTIC HUMPBACK DOLPHIN

[Concerted Action 12.3 \(Rev.COP13\)](#) for the Atlantic Humpback Dolphin (*Sousa teuszii*) foresees the development of an action plan to halt the decline of this critically endangered species.

With funding made available by the Government of the Principality of Monaco under the Migratory Species Champion Programme, and in close consultation with the Steering Committee for the Concerted Action, the Secretariat produced a Draft Single Species Action Plan for the Atlantic Humpback Dolphin (*Sousa teuszii*), which is now ready for consultation with Range States.

The draft for consultation is available here in English and French:
