(Doc 6.2a Annex B, = Annex 2 of the MOU)

Swaziland

Eswatini

The former Yugoslav Republic of Macedonia

North Macedonia

The Action Plan

(Doc 6.2a Annex C, = Annex 3 of the MOU)

Introductory part, Section 4 (“Priority Actions”)

– rationalised and streamlined to match the rest of the package of proposals

- a. legal protection of species against killing and unsustainable exploitation
- b. species population management and recovery programmes
- c. conservation and management of habitats and sites
- d. assessing and responding to threats and pressures
- e. action/integration across sectors
- f. research, monitoring and information management
- g. raising awareness
- h. strengthening capacity
- i. international cooperation.

– wording refinements inc from TAG, and typographical corrections

The Action Plan *(cont)*

Table 1 (species categorisations) [Not addressed here – see instead agenda item 6.2.2, Doc 6.2b]

Table 2 (detailed activities)

- Reorganised (to match the rest of the package), clarified, refined, streamlined, columns fleshed out.
- Input from TAG and others; inc previously missing material on indicators
- Document shows old table deleted, revised table inserted (track changes)

Table 3 (sites list) [Not addressed here – see instead agenda item 6.2.3, Doc 6.2c]

Action today by TAG

TAG is requested to:

- Review the document
- Add any further suggestions for “priority levels”, “timescales” and “responsible organisations” in Table 2

(NB suggestions for final adjustments in other areas will need to address any potential consequential consistency implications across all the individual parts of the package)

- **Approve the proposals** for forwarding to Signatories with a recommendation for adoption at MOS3.
