

40th Meeting of the Standing Committee

Bonn, Germany, 7-8 November 2012

UNEP/CMS/StC40/10.2

UPDATE ON THE STATUS OF THE TRUST FUND 2012-14

1. The present report is submitted to the Committee for review and guidance on the performance of the CMS Trust Funds. It represents an overview of the availability of resources and their use during the first year of the 2012-2014 triennium.

Trust Fund for Assessed Contributions

2. Based on the United Nations exchange rate of US\$ 1 = 0.774, the Trust Fund balance for assessed contributions as at 31 December 2011 amounted to 0.698,029 (excluding an Operating Reserve of 0.387,000).

3. Assessed contributions for 2012 stood at $\notin 2,122,980$ and miscellaneous income (mainly from interest) is projected to be $\notin 30,000$, thus making a total of $\notin 2,851,009$ available in 2012.

4. A budget of $\notin 2,252,980$ was approved for 2012 of which $\notin 2,122,980$ was to be funded from assessed contributions and $\notin 130,000$ from the Trust Fund balance. Annex I provides the status of assessed contributions and shows that $\notin 391,121$ or 18 per cent of the pledges due in 2012 remain outstanding as of 30 September 2012.

5. Annex II provides the status of expenditure against the approved budget for 2012. Based on expenditure incurred thus far, projections of staff costs show that out of an approved budget of \notin 1,539,700, approximately \notin 230,000 will be unspent at the end of 2012. The savings can largely be attributed to vacancies of the Executive Secretary (D-1) and the Inter-Agency Liaison Officer (P-4).

6. No projections have been made in Annex II in relation to non-staff costs as expenditure patterns are non-linear and hence expenditure incurred in any one period is not generally indicative of future expenditure. Nevertheless, it is expected that most non-staff budget lines will be fully expended when the planned activities are undertaken. In this regard, it is worth noting that although it would appear that no expenses have been incurred for IT Services (line 5102), the \notin 70,000 budgeted for this purpose is expected to be fully utilized when the IT Service provider (UNV) presents its invoice at the end of the calendar year.

7. In view of the significant savings realized on staff related budget lines, the Secretariat proposes the creation of two temporary P-2 positions to fund the fourth¹ years of the following Junior Professional Officer (JPO) positions:

- a) P-2 position for the period 1 September 2012 to 31 December 2013 (16 months) to continue with the development of the CMS Family Website (estimated cost €130,000);
- b) P-2 position for the period 1 October 2013 to 31 December 2014 (15 months) to continue with the programme relating to existing and emerging instruments in the Central Asian region (estimated cost €121,000).

8. The creation of the two temporary positions would require a total of $\notin 251,000$ (inclusive of Programme Support Costs). It is proposed that the costs for the positions be funded using the $\notin 230,000$ from

¹ The JPOs are fully funded by the sponsoring Government for the first two years. The Government generally provides funding for a third year with the expectation that the Secretariat funds the fourth.

For reasons of economy, this document is printed in a limited number, and will not be distributed at the meeting. Delegates are kindly requested to bring their copy to the meeting and not to request additional copies.

the savings projected to be realized from staff costs in 2012 and a further €21,000 by keeping the Inter-Agency Liaison Officer (P-4) position vacant for at least two months during 2013.

Voluntary Contributions

9. As outlined in Annex III, the CMS Secretariat's fund raising efforts have resulted in pledges amounting to ε 2,554,861 in 2012.

Action Requested

a. The Standing Committee is invited to note the report and to provide the Secretariat with comments and guidance as necessary.

b. In addition, the Standing Committee is requested to approve the creation of the two temporary P-2 positions for the duration mentioned in paragraph 7 above.
