

Joint Bern Convention - CMS Meeting on Illegal Killing, Taking and Trade of Wild Birds

Virtual Meeting

9 – 11 June 2021

Online Meeting Protocol

In order to facilitate the smooth and uninterrupted flow of the Joint Bern Convention - CMS Meeting on Illegal Killing, Taking and Trade of Wild Birds - Virtual Meeting (MIKT4), to be held from 9 to 11 June 2021 in an online conference format, the Secretariat has compiled the following set of guidelines for the meeting participants:

1 Before the Meeting

The meeting will be hosted using Microsoft Teams online platform. Joining via computer, no preliminary download is necessary as the participants can join through their internet browsers using the meeting link. However, [downloading the app](#) is recommended for access to more functionality.

Make sure you have a stable internet connection (preferably cable), well-functioning web camera and headset by testing them before the meeting.

Choose a quiet environment for the call. Any background noises or other distractions may interfere with the meeting.

Choose a location with good lighting and clear background.

Presenters should have presentations ready and open on their computers in advance. The presenters will be able to share their screen with the meeting participants. Please also send the presentation to the Secretariat Foteini.Papazoglou@cms.int with copy to ximena.cancino@un.org well in advance of the meeting.

2 During the Meeting

Online session will be open 15 minutes before the scheduled start. The Secretariat will email all participants the link to the meeting.

Before entering the online meeting, participants should enter their name or change their display name (see [instructions here](#)). MIKT Members and Bern Convention SPFs please enter your name using the following format: **Country_FirstName FamilyName** (e.g. UK_John Smith). Observers should please use this format **OBS_name of organisation/country_ FirstName FamilyName** (OBS_Birdorg_John Smith).

To ask for the floor, type your name in the chat window. The Chair will then give the floor following the speaker queue.

For better engagement, all MIKT Members and Bern Convention SPFs are asked to turn their web cameras on. For Observers, this will be made dependent on the network strength of Members. Using a headset is recommended for an improved audio experience.

To avoid background noises that may interfere with the call, always mute your microphone when not speaking.

Kindly be mindful of time during the meeting – covering all agenda items in the planned timeframe will require a joint effort from everyone.

All information related to the meeting will be made available on the [meeting website](#).
