

Notification 2025/028

5 November 2025

NOTIFICATION TO THE PARTIES

CMS COP15 LOGO AND SLOGAN

As announced in [Notification 2025/014](#), the 15th Meeting of the Conference of the Parties (COP15) will take place from 23 to 29 March 2026 in Campo Grande, Brazil. The Secretariat is pleased to share the official CMS COP15 logo and slogan.

Logo

The COP15 logo was developed by the Government of Brazil in close cooperation with the Secretariat and features the Jaguar, the Amazonian Catfish, and a variety of sea birds to call to mind Brazil's rich biodiversity, and to reflect the wide range of terrestrial, aquatic and avian species that will be the focus of this UN wildlife conservation conference.

Slogan

CMS COP15 will be convened under the slogan **“Connecting Nature to Sustain Life”**. This theme highlights the vital role of ecological connectivity for conserving ecosystems, which are crucial both for migratory species and human well-being. The slogan also reflects linkages between ecological connectivity, the conservation of migratory species and climate change.

The CMS Secretariat would like to invite Parties and stakeholders to make use of the COP15 logo and slogan in all relevant information and communication materials. The Secretariat will share more communication materials and assets as soon as they become available. The logo can be downloaded via the [CMS COP15 webpage](#).

For further information on the use of the logo and slogan, please contact: Aydin Bahramlouian, Public Information Officer (aydin.bahramlouian@un.org)
