Registration closes 01 November 2021

Hosted by:
BirdLife International and Iberdrola

Renewable energy with nature at its core

Join us at COP26 as we host an in-person / virtual panel discussion with leaders of business, Multi-Lateral Environment Agreements, finance institutions, governments and civil society. The event will showcase innovative mechanisms and tools for the nature-sensitive deployment of renewable energy to address the nature and climate crises for a green recovery.

Speakers include Patricia Zurita, CEO, BirdLife International; Iberdrola; Amy Fraenkel-Executive Secretary, Convention on the Conservation of Migratory Species of Wild Animals (CMS); the Honourable Minister of State for Environment, Chief Sharon Ikeazor, Nigerian Government; Lori Anna Conzo, Global Biodiversity Lead, International Finance Corporation; Robert Adamczyk, Senior Environmental Advisor, European Bank for Reconstruction and Development; and Tris Allinson, Senior Global Science Officer, BirdLife International
