SEVENTH MEETING OF THE SIGNATORIES TO
THE MEMORANDUM OF UNDERSTANDING
CONCERNING CONSERVATION MEASURES
FOR THE SIBERIAN CRANE (*Grus leucogeranus*)
Bonn, Germany, 10-12 June 2010
Agenda Item 5.0

REPORT OF THE SECRETARIAT

(Prepared by the Secretariat)

1. It is a general practice that the CMS Secretariat acts as the Secretariat for Memoranda of Understanding (MoU) concluded under CMS auspices. The CMS Secretariat acts as Secretariat for the MoU pursuant to MoU paragraph 2. It also acts as the MoU depositary.
2. This note provides a brief overview of the Secretariat's responsibilities as depositary and provides a summary of the status of signatures to the MoU and the Secretariat's recruitment efforts since the MoU's entry into effect. Section 2 briefly summarises efforts to generate a provisional list of competent authorities and focal points.

Status of Signatures and Recruitment Efforts to Date

3. The CMS Secretariat undertakes a number of activities as the MoU's depositary. The primary activity is to keep track of the status of the MoU. The Secretariat keeps the original version of the MoU on file, it notifies the signatories of new signatures and it transmits upon request certified copies of the MoU to the various Signatories and organizations that have signed the MoU.
4. Document UNEP/CMS/SC-6/Inf/2 notes that as of 1 May 2007 all 11 Range States in which Siberian Cranes are considered to regularly occur have now signed the MoU. The final signature was that of Afghanistan on 22 June 2006.
5. By adding their signature to the MoU, co-operating organizations demonstrate their support for the implementation of the MoU and conservation plans. Some of the attributes that would be considered in determining whether an organisation would be invited to sign the MoU as a collaborator include *inter alia*: (i) a long term interest in the Siberian Crane; (ii) a demonstrated commitment towards the MoU; and (iii) a regional presence or influence, including good relations with Range States and national level NGOs in the agreement area.

List of Designated Competent Authorities and Focal Points

6. MoU paragraph 4 invites Signatories to officially designate a competent authority as a contact point for all matters relating to the MoU's implementation and to communicate the name and address of the authority to the Secretariat. In addition to this information, it would be useful

to receive the name and address of an individual (focal point) within the competent authority with whom the Secretariat could correspond and who would have responsibility for coordinating the MoU's implementation.

7. Signatories were contacted and requested to inform the Secretariat if there were any changes to their appointed focal points and were requested to let the Secretariat know as soon as possible. Some Signatories came back with updates and changes.

8. A revised list will be presented to the meeting as document UNEP/CMS/SC-6/Inf/5 with a view to obtaining any further updates.

9. The list will be updated on a periodic basis.
