

ADDENDUM 1

SCIENTIFIC COUNCIL COMMENTS
(arising from ScC-SC6)

**REPORT ON THE IMPLEMENTATION OF THE
CONCERTED ACTION FOR THE HARBOUR PORPOISE (*Phocoena phocoena*)
IN THE BALTIC SEA AND THE IBERIAN PENINSULA**

UNEP/CMS/COP14/Doc.32.2.6

RECOMMENDATIONS TO COP14

Recommended that the Concerted Action be closed, as suggested in the report, noting that the Baltic Proper population of the Harbour Porpoise is proposed for listing in CMS Appendix I at COP14.

GENERAL COMMENTS ON THE DOCUMENT

It was recommended that the relevant regional agreements should give consideration to the situation of the 'Iberian porpoise' and bring forward appropriate recommendations in due course to CMS, including potential inclusion in its appendices. In addition, it was suggested that the population is assessed for inclusion on the IUCN Red List of threatened species.
